SVARBU!

Varžtas, pateikiamas kartu su laikikliu, apsaugančiu nuo apvirtimo, turi būti skirtas tik tvirtinimui prie baldų pritvirtinti laikiklius. Be to, jums reikės pasirinkti varžtą arba tvirtinimo detalę, kuri tinkama laikikliui pagal jūsų turimas sienas. Jei esate netikri dėl naudojamo varžto, susisiekite su vietine parduotuve.

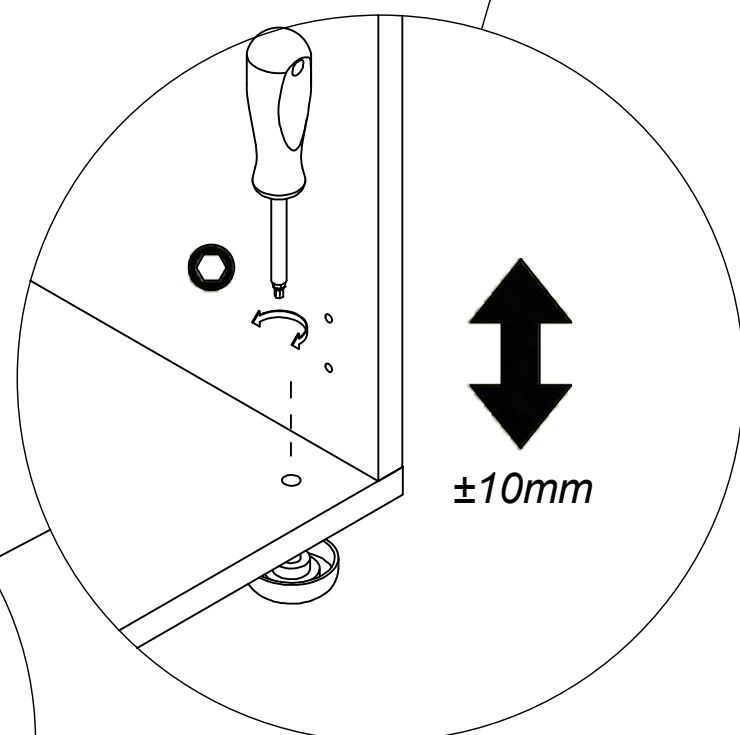

IMPORTANT!

The screw supplied together with the anti-topple bracket is to be used only for fixing the anti-topple bracket to the furniture. In addition to this, you will need to choose a screw or fitting which is suitable for securing the bracket to the kind of walls you have. If you are unsure about what type of screw to use contact your local hardware store.
